

CENTRE FOR SCIENCE AND ENVIRONMENT
WELCOMES ALL TO THE PHOTO EXHIBITION

BACKS TO THE WALL

Climate Change and Vulnerable Communities

NOVEMBER 5 & 6, 2015
10am to 10pm

India Habitat Centre, Lodhi Road, New Delhi

From the flood-ravaged areas of Kashmir to the plight of fisherfolk in Tuticorin in Tamil Nadu, covering much of India in between, Backs to the Wall is a photo exhibition that brings to life the experiences of India's people who deal with the harsh reality of climate change such as floods, advancing oceans, unyielding land and poor living conditions.
